Contemporary Door Styles and Finishes

The Metropolitan Series satisfies the growing trend of contemporary styling by showcasing clean lines and elegant decorative hardware options. Metropolitan Series doors, accent cabinets and matching panels are manufactured from furniture board with an easy to clean, durable melamine or lacquer finish. As an extension of our Semi-Custom program, these factory built cabinets feature plywood construction with hardwood face frames, dovetailed drawer boxes, and Soft Close doors and drawers. Custom depth wall and base cabinet options are also available.

MANHATTAN

This contemporary style features clean flat panel doors and drawer fronts built from durable melamine faced furniture board.

*These finishes feature melamine faced MDF with scratch resistant lacquer finish. Twice as scratch resistant as thermofoil (PVC/PET) and six times more scratch resistant than acrylic.

**These finishes feature a high definition 3D woodgrain texture.

Outdoor Cabinetry Door Styles and Finishes

With a desire to spend more quality time outdoors, Weatherstrong Outdoor Cabinetry was designed with your lifestyle in mind. Our cabinets are manufactured in the USA from 3/4" thick All-Weatherboard™ a waterproof composite material. Doors and drawer fronts are made from High Density Polyethylene (HDPE) or Marine Grade Polymer (MGP) in a selection of styles and finishes. Cabinets are factory built to order in a wide variety of sizes and configurations, making Weatherstrong cabinets ideal for outdoor kitchen, wet room and garage applications.
